Northeast State Technical Community College is one of 45 institutions in the Tennessee Board of Regents system, the sixth largest system of higher education in the nation. The Tennessee Board of Regents is the governing board for this system, which is comprised of six universities, 13 community colleges, and 26 area technology centers. The TBR system enrolls more than 80 percent of all Tennessee students attending public institutions of higher education.

Northeast State is committed to the education of a non-rationally identifiable student body. The college does not discriminate on the basis of race, sex, color, religion, national origin, age, disability, or veteran status in the provision of educational opportunities or employment opportunities and benefits. The college complies with Title IX of the Education Amendments of 1972, the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Inquiries concerning nondiscrimination policies and guidelines should be directed to the director of Human Resources.

Northeast State Technical Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033 or call 404.679.4500 for questions about the accreditation of Northeast State.. Medical Information

Effective Fall term 1998, proof of immunization with two (2) doses of Measles, Mumps, and Rubella (MMR) vaccine, administered on or after the first birthday, will be required for attendance to all universities and colleges with an enrollment greater than 200 students. This rule applies to all new students born after Jan. 1, 1957. Immunizations are not required if it conflicts with the student's religious tenets and practices, affirmed under the penalties of perjury. The immunization is not required if a "qualified" physician certifies that administration of such immunization would be in any manner harmful to the person involved. Other conditions for exception include: 1) those with written documentation of a physician-diagnosed case of the disease and 2) those with laboratory confirmed immunity to the disease.

Selective Service Information

(To be completed by all male applicants, aged 18 to 26, born in 1960 or later.)

Chapter 759 of the Public Acts of 1984 provides that no person who is required to register for the Federal Draft under Section 50 United States Code Amendment Section 453, shall be eligible to enroll in any postsecondary school until such person has registered for such draft. Under Federal law, the responsibility to register lies with any male citizen of the United States and every male residing in the United States who was born in 1960 or later, and is currently at least eighteen (18) and not yet twenty-six (26) years of age.

I certify that I am required to register for the Federal Draft and have done so in accordance with the above stated policy.

NOTICE

If you are accepted as a student at this institution, there are certain performance tests you will be required to take during your academic career. It is a requirement of admission that you agree to take any tests deemed necessary by the College. In those instances where tests are administered by an external entity, you hereby agree for the results of such tests to be released to the institution. The purpose of this requirement is to comply with the legislature's expressed intent that institutions regularly evaluate and improve instruction at all levels. If you are under twenty-one years of age and are required by institutional policy to complete the COMPASS test, your scores on this test and course placement may be reported to your high school for research purposes. Any test scores will be treated confidentially as required by law.

ALL APPLICANTS MUST READ AND SIGN BELOW TO VALIDATE APPLICATION

I certify that all of the information on this application is true and that no information has been intentionally withheld. I further certify that I understand that giving false information may make me ineligible for admission to or continuation as a student at Northeast State Technical Community College.

*In accordance with the Privacy Act of 1974, applicants for admission and enrolled students are advised that the requested disclosure of their Social Security numbers to the office of Admissions is voluntary. Students who do not provide the college with their Social Security number will be assigned special nine-digit numbers. This number or the Social Security number will be used: (a) to identify such student records as applications for admission, registration and course enrollment documents, grade reports, transcript requests, certification requests, and permanent academic records and (b) to determine eligibility, certify school attendance, and report student status. Students are notified, however, that only the Social Security number may be used as an identifier for grants, loans, and other financial aid programs according to federal regulations. The student's Social Security number will not be disclosed to individuals or agencies outside Northeast State except in accordance with the institutional policy on student records.
